**Discover the hidden jewel of Europe:
a 7-day road trip through Eastern Bulgaria**

Adventure in Bulgaria

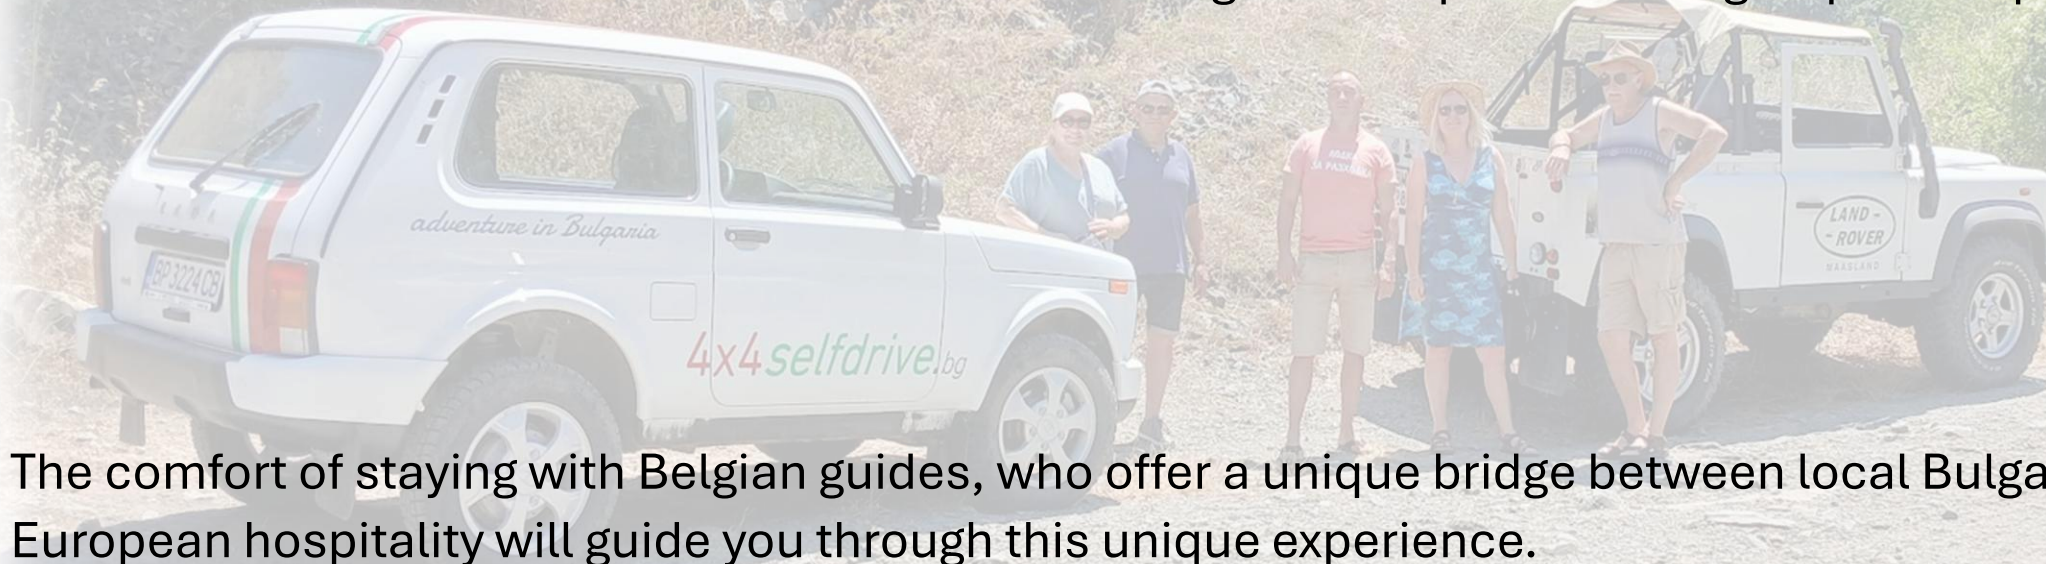

4x4selfdrive.bg

Private 4x4 adventure eco-tours for small groups of friends and/or families to explore the beautiful landscapes of Bulgaria with the sunny charm of the Black Sea coast.

You'll experience this adventure with legendary Lada Niva 4x4 or Land Rover Defender by driving yourself or by joining us in a Toyota Land Cruiser . The 4x4 jeeps take you to the places where the asphalt ends and the stories begin.

"In a 4x4 vehicle, you don't just travel through the landscape; you conquer it. It's the difference between watching a documentary and living one."

Private guide will precede the group in a separate 4x4 vehicle.

The comfort of staying with Belgian guides, who offer a unique bridge between local Bulgarian culture and European hospitality will guide you through this unique experience.

Here is an atmospheric preview of your week in East Bulgaria:

Days 1-3

The Balkan Heart & ancient pearls

Pick up at airport Burgas or Varna and check in at B&B in North Bulgaria.

Start your journey in the interior, where time seems to stand still in charming rural villages.

Staying with Belgians: Enjoy the warmth of an authentic B&B with swimming pool for 3 nights, where Flemish hospitality meets the serene Bulgarian countryside.

The Danube: Take a trip to the banks of the Danube and discover in Ruse its stunning Neoclassical and Baroque architecture.
